

# BEYOND the Classroom

**CANADA'S MOST  
INNOVATIVE UNIVERSITY**  
for 25 years

**#1** in Canada  
for career  
preparation

**#1** comprehensive  
research university  
in Canada

## **#22 in the world for graduate employability**

Our graduates are among the most employable in the world and ranked as the most career-ready in Canada. While other university grads try to break into the work world, you'll be focused on your next opportunity, equipped with practical knowledge, industry-relevant skills, and a network of professional contacts.
